Under the Sea Barbecue

We at Redwood Terrace would like to thank everyone for taking time from their busy schedules to come to our barbecue!

Welcome to Leonard Lukens and David Holliday

Meet the men who have moved into Redwood Terrace since our last newsletter.

Leonard used to hunt and fish, and has a strong interest in history. He is a philatelist, and can give talks about his "covers" collections. Way back in the 1950s he held the speed records for running the 1, 2, and 3 miles events at his college!

David served in the US Navy for nearly 25 years. Later, he worked at Litton. He's lived in Grants Pass since 1981.

We are so happy to welcome both to our Redwood Terrace family.

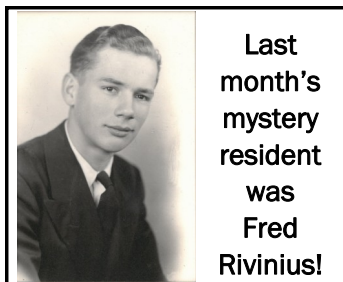

Gina Noble Awarded Elevate!

Our own housekeeper, Gina Noble, was awarded the Concepts In Community Living Elevate Award for June, 2018! This award carries high esteem, and few employees make it to this level. ELEVATE stands for "Encouraging Life Enrichment Values And Teamwork Excellence". The award was created to acknowledge what fellow team members are doing for each other and for residents on a daily basis. Those acts worthy of nomination for this award are ones that are above and beyond the normal scope of what teamwork should look like in the community. Candidates are nominated by fellow employees, residents, and family members. Each nomination is accompanied by the reason the nominator feels this person has shown exemplary caring and dedication. Anyone who knows Gina would not be surprised at this award being given her. She is always alert to finding extra ways to make life better for each of our residents and fellow staff members, and makes sure to carry her ideas out. Gina is always ready with a helping hand for anyone who needs it. We are so pleased to see Gina recognized for her hard work and dedication.

Thanks to all who worked so hard behind the scenes to make our barbecue such a success!

Last month's mystery resident was Fred Rivinius!

Gina and her helpers were responsible for those wonderful decorations that made us feel as though we were "Under the Sea!"
