Redwood Terrace News

September 2018

We at Redwood Terrace had the privilege of thanking those men and women who are always there to help in emergency situations. Residents signed the banner shown above, and staff members served up a hearty and delicious brunch. Jim Thompson delivered a heartfelt message of thanks, and Mayor Darin Fowler also attended and addressed the illustrious guests. It felt so good to show our heroes how much we care.

Assisted Living Week: September 9-15

Every year, a week is set aside to honor the assisted living principle. This year's theme is "Capture the Moment". The idea is to appreciate all of those special moments we have captured in our photos, journals, recordings, or simply in our minds. We are also encouraged to note that the present moment is precious, and worth "capturing".

NATIONAL ASSISTED LIVING WEEK®
SEPTEMBER 9-15, 2018

We have some ideas for making this a very special week that we will all appreciate and remember. Here are some ways you (residents, family members, staff, and friends) can participate in the preparation for the week. This must be done through the first week of September.

- Bring in photos that represent special times in your life (especially those of our residents). Hand them to Cheryl or Gina so that we can scan them and return them to you right away. Just be sure this is an image that you're okay with sharing. They will be displayed during Assisted Living Week.
- Help us "scrapbook" these images onto posters that will be displayed. If you have a special talent for or simply an interest in this, we can really use your help. Look on the Redwood Terrace calendar for "Capture the Moments" times. You are encouraged to attend all or any of these sessions.

On Assisted Living Week, enjoy the fruits of these labors, and attend our special activities. It will be a week to remember.

Welcome to Steven Ferrell, Jack Hirtzel, Lucien Quintin, and Linda Wellbrock

We have several new faces gracing Redwood Terrace. Steven came to Oregon from southern California about two years ago. He has two wonderful daughters.

Jack makes friends easily, as you've probably already discovered. He also enjoys reading and doing crosswords.

Lucien may describe himself as a Frenchman. He has lived in Paris and speaks French.

Linda came to Oregon a while back from the bay area. She is easy to talk with and is good at making people laugh. She has enjoyed raising her children, and worked for Phillips for 25 years. Don't we have a great group of neighbors!
