Redwood Terrace News

March 2019

Congratulations!

Congratulations to Frankie and Jacqueline on Their New Addition to Their Family

On February 3, 2019 they welcomed beautiful baby Olive, who weighed in at 6 pounds 14 ounces. Olive has a big brother Dominic who had been anxiously waiting for her. Redwood Terrace residents helped Gina create a diaper cake to give to the family at this special time. (New diapers made in the shape of a cake.) They loved it!!!

Welcome New Neighbors Audrey Barr, Mildred Harshaw, Frances Churchwell and Catherine Swift

- Audrey loved to travel . Her favorite place was Africa. Audrey has a cat named Patches and enjoys gardening.
- Mildred has a passion for sewing. She has created so many wonderful things from cloth over the years!
- Frances lived in both Montana and Southern California before moving to Grants Pass. She is a religious person who has enjoyed crocheting and knitting in the past.
- Catherine is a political person who worked for Southern Oregon Reliance and Josephine County Republican party as a Secretary. She also worked as an Office Manager at both Elementary and Middle Schools.

Be sure to get to know these ladies. You'll be glad you did!!

March Mystery Resident

This month's mystery resident was born and raised here in Grants Pass with four older sisters on 10th Street. She lost her mother at a very young age and was raised by her father, who owned and ran The Valley Lumber Company. Our mystery person raised rabbits which she would take to her father's work to sell. She enjoyed playing baseball in earlier days. She also loved riding horses, which she did all over Grants Pass with her best friend. Our fair mystery lady has fond memories of playing clarinet in the band at Grants Pass High School when she was a student. She had also gone to and taught at North Valley.

This neighbor married and raised a boy and a girl. In her spare time she enjoyed reading books and playing Pinochle. Her dog has always played a special part in her life, too. She worked at Lincoln

Elementary as a school teacher, and at Grants Pass High, as teacher and counselor along with our Ombudsman Larry Moynihan. When she wasn't living in Grants Pass, this lucky woman lived in Hawaii. She eventually returned to Grants Pass because in her opinion this is true paradise. Can you guess who our March Mystery Resident is?

Good Luck Lady Bug Shamrock

Beautiful ladybug, away it flies!
In that direction, good luck lies.
If on a shamrock it does land,
twice the luck you'll have at hand.
