HAPPY FATHER'S DAY!

We are so proud
of our Redwood Terrace fathers!

Welcome Dorothy Tulare

Dorothy grew up here in Grants Pass . She was an avid artist and has painted many oil paintings. She loves walking, gardening, and fishing.

We are glad to have Dorothy here!

Mystery Resident

Our mystery resident for this month was born in the small town of Hayesville, Pennsylvania. She was a very quiet and shy person and didn't do much growing up. She was raised with a brother and a sister. The town was so small that there wasn't much to do but go to school and help around the house with the chores. She was married twice and had two sons. She was married to her most recent husband for about 15 years who recently past a away. She has enjoyed sewing, cross stitching, and knitting in her earlier years. When she wasn't a phone operator she was a stay at home mom with her two boys. She now stays busy with daily activities such as walking a and socializing with her neighbors and friends. She in very involved in her community. Can you guess who our mystery resident is?

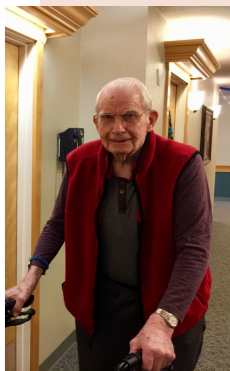

Special Thank you !!!

We want to give a special thank you to all who has helped and continue to help keep our courtyard beautiful. Without your efforts and volunteer work the outcome would not be the same.

Also , Just a reminder to view the bird-houses from a distance so we don't disturb the new residents that might be starting a family there. We have had bird residents visit in the past and we don't want to scare them away again.

We hope you will continue to enjoy the courtyard and again thanks for all that you have done.
